

TRANSITION TO INDEPENDENT LEARNING

Academic Skills Workshops for Under-Represented Students

Dr Lisa Padden, Academic Skills Coordinator
Julie Tonge, Disability Student Adviser

Digitally Enhanced Learning:
Promoting Apps and Technology Tools

Workshop attendance is strongly correlated with academic success

Less than 5% of students with disabilities attending workshops required one-to-one learning support.

Student Feedback

“These workshops helped me to make the big leap into studying at UCD.”

Everything was covered that I needed help with in college.

I felt the workshops covered all necessary topics to deal with my first semester.”

Did the workshops help you to manage your transition to university?
